The friendly face of shopping

IVYBRIDGE

The friendly face of shopping

In Ivybridge you will discover shopping the way it should be with specialist shops and services, a relaxed pace with time to browse and people who are welcoming and happy to be helpful. The town centre is compact and easy to get around, with pedestrian friendly areas, a covered arcade and plenty of places to take a break and eat or drink. The heart of Ivybridge is like town centres used to be, providing convenience and variety, with everything you might need in retail or business services close at hand.

Ivybridge has plenty of parking, some of it free (time limited) and a wonderful location with the Dartmoor National Park on one side and easy access to the A38 Devon Expressway on the other.
